

Inky, Blinky, and Pinky FSM
 While in active they target...
 Blinky - Pacman
 Pinky - 4 spaces ahead of Pacman
 Inky - A point relative to Pinky's target and Blinky

Clyde's FSM
 While in active, Clyde targets Pacman
 While in scatter, Clyde targets bottom left corner

Clyde's new FSM is similar to his original except he scatters when Pacman nears a power pellet

Blinky's new FSM is similar to Clyde's FSM except he targets Pacman when Pacman is in the top of the screen and scatters to top right corner when Pacman is in the bottom half

Pinky's new FSM is like Blinky's new FSM except she scatters to the bottom right corner and chases when Pacman is on the bottom half of the screen

Inky's new FSM chases Pinky and scatters when he is near Pinky
